Featuring an all-new story that reunites Amadeus, Pontius, and Zoya, *Trine 4: The Nightmare Prince* returns to the magic of 2.5D with the puzzle-platforming gameplay that defined a genre in *Trine 1* and *2*. Play as the three iconic heroes in the most extensive *Trine* adventure yet, complete with stunning new environments and dynamic, physics-based puzzles that fans have grown to know and love.

After years apart, the Astral Academy has requested help from the three heroes to find Prince Selius, whose intensely dark nightmares have begun to slip into reality and wreak havoc on the waking world. Encounter more epic boss fights than ever before, solve fascinating puzzles, unlock new skills, explore lush, vibrant landscapes, and experience a hauntingly beautiful new soundtrack by the composer of *Trine 1-3*. Additionally, and for the first time ever, *Trine* adds four-player co-op to its feature list.

Key Features

- **Gorgeous, 2.5D landscapes.** Explore uniquely designed levels in beautiful, 2.5 dimensions, from breathtaking ruins and haunted tombs to tranquil birch groves and blueberry forests.
- **Local and online multiplayer.** Play with up to 4 players online or in local co-op.
- **Captivating storytelling.** Follow the story of a haunted prince as you journey through magical fairytale landscapes inhabited by friendly creatures, as well as a host of nightmarish foes.
